Why are you interested in serving as a board member for Valley Academy?

Area(s) of expertise/contributions you feel you can make to the school as a board member along with relevant community experience and/or employment (attach a resume):

Board membership requires attendance at monthly meetings, occasional training, a three-year commitment, leadership of at least one board committee, staying informed on school and board issues by reading the school's Charter and other documents, background check, and an understanding that Board members receive no compensation for service. Board members may not serve concurrently on the Board and work as an employee of the school. Is this something you can agree to?

Do you have any other volunteer commitments?
