

Friday Facts

Come one come all and embark with us on a journey back in time.

All grades may participate. Students may work alone or in groups. The sky is the limit, research a person, event, or time in history and visually prepare something to share with the school community.

April 17, 2015

Upcoming

- April 22 Earth Day Assembly
- April 22 5th Grade Maturation Program
- April 24 Recycled Art, Music & Fashion Show Assembly
- April 24 Arbor Day Tree Planting after school

Ms. Metzger's class planted seeds for Arbor Day!

Save the Planet!

Have you finished your recycle project? Need ideas? Make a picture, sculpt something, make an instrument or a fashionable new outfit.

Are you better at writing? Write a song or poem about our amazing planet and how to protect it. Entries need

to be brought in on Tuesday the 21. The two classes with the most students entering will win an earth friendly book bag for their teacher! We will also be planting trees after school on Friday. We welcome everyone to help us celebrate Arbor Day!

Mohave Max & Tara Tortoise

The 3rd – 6th grades enjoyed a visit from friends of the Red Desert Reserve this past week. Students learned all about tortoises, how to protect the desert and the habitats within. They were able to see a live tortoise and snake!
