

Friday Fun Facts

Did You Know. . . .

Tarantulas are the largest spider in Southern Utah and the most misunderstood habitat. Tarantulas are docile, nocturnal, and their venom is non-toxic to humans. Two have recently been spotted at our school!

September 5, 2014

Upcoming

- Sept. 11 Patriotic Day – Flag raising ceremony and thank you project. Red, white, & blue clothing may be worn instead of uniform.
- Sept. 12 Spirit Day - Hurricane High School Homecoming Game. Red & Black may be worn instead of uniform
- Sept. 15-16 SEP's – School will dismiss at 12:45 p.m. Teachers will email parents instructing them how to schedule appointments.

Spotlight!

- **Emma Humphries won first place in Hurricane's Got Talent! She is definitely an aspiring violinist!**
- **Jasmine Davis received an Honorable Mention in Hurricane's Got Talent. She had some super snazzy tennis shoes!**
- **Ian Merida has been recognized as August's most helpful lunch worker!**
- **Eliza Dansie was the Grand Sweepstakes winner at Peach Days for her quilt!**
- **Mrs. Billings and Mrs. Freiberg's 4th grade students won first place at Peach Days for the class quilt they made!**

Pet Care & Habitats

Ms. Metzger and Mrs. Merrell are teaching their first graders all about habitats and how to care for pets. Ms. Metzger has a class hamster and Mrs. Merrell has a class gerbil. Let's not forget Mrs. Freiberg. Her class pet is an albino corn snake!
