Penny Wars!

Grades compete against each other to raise the most pennies for their class, and the most amount of folding money and silver coins for the other grades. Pennies are positive points, silver and paper money are negative points. 100 pennies = 100 points, \$1.00 = -100 points, .25 is -25 points and so on. Classes will use this strategy to claim victory! Penny wars will be held every day during lunch time from 11:00 a.m. - 1:00 p.m. May the force be with you!
