Facts

Thank you so much to everyone who contributed to and participated in the Veterans Day Assembly. The Veterans in attendance were truly touched. Commander Stephen Bird said: "The program was absolutely fabulous, and the expressions on those kids faces was wonderful. They truly sang their hearts out for us." The legion was so impressed with the letter quilt made by Mrs. Wisner's 8th grade that a frame is being custom made for it, and it will hang on their wall for years to come.

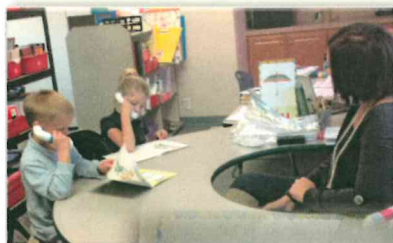

In Valor There is Hope

November 14, 2014

Upcoming

- Nov. 14 School Dance Grades 6-8
- Nov. 20 Board Meeting
- Nov. 21-22 School Play
- Nov. 26-28 Thanksgiving Break

Who is Working Hard at Valley?

The first grade reading groups are having so much fun working on their reading skills with Mrs. Fenn.

Mr. Spencer's class is reaching new heights. They have completed 45,000 math problems as a class. That is a lot of math problems.

The Dixie Direct Fundraiser is in full swing and the PTO thanks everyone who is working hard selling books to raise money for our school. Students have until December 5 to sell the books, and then all money and books not sold must be collected and returned to Dixie Direct. If we sell all 520 books, we earn \$9,100 for our school! Ideas for how to spend the money raised will be discussed in Decembers PTO meeting. They would love to have your input.

October Students of the Month
