

Friday

Facts

The PTO is an organization comprised of parent volunteers that put in a lot of time ensuring teachers and students are happy and help provide what they need to be successful. The PTO has been working on emergency preparedness kits for every classroom. Last Friday the teachers were given their emergency kits. We appreciate the PTO and all they do for the school. They would love more helping hands. Please email them to find out how you can help. pto@valleyacademycharter.com
