Facts

Summer break is less than a month away. What are your children going to do during the summer? Are you worried about them getting bored and irritable? Are you worried about them falling behind academically? Are you worried about feeding them lunch everyday? Worry no more! Valley Academy has solutions. We are offering two summer camp sessions. We will be serving free lunch to all children ages 1-18. We will also be teaching remedial classes. More information and registration forms are available in the office.

History Share Fair

May 13 will be a day to remember as Valley Academy students are transported back in time as they explore the people and places of our past. All students are invited to participate, and their creativity is welcome.
